Modern Bed

A low-height, zero storage bed for the minimalists.

A dark wood baby cradle is the central focus, set in a nursery. The room features a patterned rug, a wicker basket, a framed picture of a rabbit, and a decorative light fixture. The cradle has a curved headboard and a matching footboard, with vertical slats on the sides. A light-colored blanket is draped over the left side of the cradle. The background includes a window with blinds, a hanging mobile, and a decorative wall piece.

Solidwood Baby Cradle

Comfort at its best, made with solid mango wood - for longer, peaceful and a deep sleep for babies.

Solidwood Bookshelf

For private homes, public and university libraries, offices and bookstores. Saves space.

Corner Bookshelf

Bookshelves

A wooden round bookshelf with a circular frame and horizontal shelves. The bookshelf is made of dark wood and features a large circular frame with several horizontal shelves inside. The design is classic and elegant. The bookshelf is shown from a side-on perspective, highlighting its circular structure and the way the shelves are integrated into the frame. The wood has a rich, dark finish, and the overall appearance is that of a well-crafted, timeless piece of furniture.

Round Bookshelf

A classic yet the most loved design across countries.
